

Company profile

Creating aircraft exterior paint schemes and brand friendships A signature of design excellence since 1995

COMPANY

Lila Design is a small though tough and one of the world's well known brand and graphic design companies within the aviation business. We export our creative services and conduct the aviation brand business worldwide. We are engaged in every aircraft operating business: vip/vvip, business, airlines, air cargo, special duty, head of state and military providing brand development, graphic design, engineering and aircraft presentations. Next to aviation Lila Design provides packaging and label design for beverage brands.
